the stutyp need the que kid is a Carsaft Too available.	It the moving assembly line. Steve will evide a 45-minute presentation to all third-grade classes, and then the dents come outside to see different es of Model T's. This is where we ed other chapter members to bring ir T's to show the students. Lots of estions, smiles and thanks from the s. These events are so much fun! This is joint event with the Piquette T's and sual T's. (We do not give rides for ety and insurance reasons.) we vehicle and trailer parking is allable at the school site. Please do not ive before 9:15 am so the morning esses will be out of the bus loop.  Please join us!
